| Transition<br>Support                  | One-to-one meetings were arranged to support members into new roles. Final payments will be made by 15 July 2025, and IT equipment returns are being coordinated. A thank-you event was planned but did not go ahead due to low attendance (only four members confirmed availability). Instead, hampers are being arranged and sent to members as a gesture of appreciation. |
| Reflections and<br>Closing<br>Comments | Members expressed mixed feelings about the transition. Assurance was given that their contributions would be valued and retained. The new structure aims to strengthen customer voice and improve governance.  |
